Kulai, Mangaluru

OBJECTIVE

Passionate MCA student with hands-on experience in modern web technologies, eager to build a career in full-stack development. Committed to delivering efficient, user-centric applications while continuously learning and contributing to innovative projects.

EDUCATION

Masters of Computer Applications (2024 – 2026)

NMAM Institute of Technology, Nitte

CGPA: 8.43

Bachelor of Computer Applications (2021 – 2024)

Canara College, Mangaluru

82.63%

TECHNICAL SKILLS

Web Development: HTML, CSS, JavaScript, React.js, PHP

Programming: C, Python, Java, PHP

Databases: MySQL, MongoDB

PROJECTS

• Tailors Touch virtual try-on system:

- Implemented using HTML, CSS, JavaScript, PHP, TensorFlow.js, OpenCV.js.
- AI-powered fashion platform enabling personalized dress selection, measurement input, and virtual try-on with real-time body detection.

• Face detection system:

- Implemented using Python, OpenCV.
- Real-time face detection system using Haar cascade classifiers for both frontal and profile views.

• Secure Authentication system:

- MERN stack project with user registration and login functionalities.
- Added OTP email verification (Nodemailer), bcrypt password hashing, and JWT-based authentication.

• Employee Management System:

- Flask-based web app using Python, SQLAlchemy, HTML/CSS.
- Features: add, update, view, delete employees.

INTERNSHIP

Prodigy InfoTech – Full Stack Development Intern

(Completed)

- Built secure authentication systems using the MERN stack with OTP-based email verification, and contributed to projects including Employee Management System, Real-Time Chat Application, and E-Commerce Platform.
- Gained hands-on experience in full-stack development, strengthening skills in React.js, Node.js, MongoDB, and improving problem-solving and collaboration abilities.

CERTIFICATES

- Computer Architecture & Organization (Udemy) – CPU design, memory hierarchy, instruction sets.
- MongoDB Complete Developer's Guide (Udemy) – Schema design, CRUD, aggregation, indexing, Node.js integration.
- Flutter Workshop (NMAMIT) – Basics of Dart, widgets, Firebase authentication + database.

SOFT SKILLS

Communication, Problem Solving, Team Work

LANGUAGES KNOWN

English, Kannada, Hindi, Tulu
